

PUBLIC SAFETY SECURITY ESCORT PROGRAM

Any student, staff, faculty member or visitor may request a security escort at any time. This service is encouraged for those walking on campus after dark. The Public Safety Escort Program does not extend outside the Antioch College Campus.

Call 937-776-0660 to request an escort anywhere on campus. An officer will meet you and walk or drive you to your destination.

The Escort Program is to be utilized for safety purposes only and not for purposes of inclement weather such as rain, cold and /or snow. **If you reside off campus**, you may not utilize the Security Escort Service to take you home or pick you up from your home. Public Safety staff are required to be on campus to be able to respond to potential emergencies.
