Tuition & Fee Refunds

When students withdraw from classes, their charges will be reduced and their accounts will be credited according to the following refund policy. For the purpose of this policy, the period of enrollment is a term. The beginning of the term is the first day of classes and the end of the term is the last day of classes. The beginning and end dates of each term are listed in the curriculum catalog. The unofficial withdrawal date is the last day of attendance.

If the withdraw date falls after the drop/add period all fees are non-refundable and only tuition will be refunded per the following policy.

Refund Policy:

<u>Withdraw Date</u>	<u>Refund</u>
Two weeks or less	80%
Between two & three weeks	60%
Between three & four weeks	40%
Between four & five weeks	20%
More than five weeks	0%

Room & Board Refunds

When students withdraw from classes they will be given a required move out date from Residence Life. Once the finance department receives official notification that the student has moved out and of any additional charges that need to be added to the students final term bill, refunds will be calculated based on the following refund policy.

Refund Policy:

<u>Withdraw Date</u>	<u>Refund</u>
Drop/Add date or prior	% based on days of occupancy (85% to 98%)
After drop/add date but two weeks or less	80%
Between two & three weeks	60%
Between three & four weeks	40%
Between four & five weeks	20%
More than five weeks	0%

Institutional Financial Aid Reversals

All institutional financial aid will be reversed based on the same refund policy as applicable charges. i.e. if the institutional aid is for tuition it will use the same method as tuition refunds.

Federal Financial Aid Refunds

All federal financial aid will be reversed and returned back to the federal government based on the mandated federal refund policy. For more information please contact the Director of Financial Aid.

Refund Policy:

Refunds will be calculated on a % basis, based on the last day of attendance up to day 44 of the term. There are a total of 74 days per term.

For example: if the last day of attendance is day 18 of the term, then the refund requirement is 24%. If the last day of attendance is day 44 of the term, then the refund requirement is 59%. If the last day of attendance is day 45 or greater of the term, then the refund requirement is 0%.
