

August 17th, 2022

Hello, incoming Antiochians!

...And just like that, it's mid-August. We know that you're likely spending time & energy preparing yourself to join us and hope that you have most, if not all, of the information you need. Here are a few last little nuggets before ***New Student Orientation begins on Wednesday, August 24th!***

**Resources from previous sessions:**

<a href="#">Meet &amp; Greet: Counseling and Medical Services</a>	<a href="#">"Antioch Works" Student Job Listings</a> (subject to change)	<a href="#">Student Worker - Required Employment Documents</a>
-------------------------------------------------------------------	-----------------------------------------------------------------------------	----------------------------------------------------------------

**Academic Affairs:** More than half of new students have already had their [1:1 pre-advising meetings with Scott Millen](#) (they/them). Meetings will continue through this week. If you have not signed up for a timeslot, please do so as soon as possible. It's important that you connect with them before you arrive and register for classes.

[Fall 2022 Course Schedule](#)

[2022-2023 Academic Calendar](#)

**Move-in Instructions:**

All new students received a personal, informational **email from Residence Life on Saturday, August 6th**. *All students should also complete the "Move-In Plan Survey" included in this email.* As needed, you may have items shipped to campus to help with relocation.

Residential student mailing address:

**Student Name  
1 Morgan Place  
Yellow Springs, OH  
45387**

**Lastly...**

We do invite you to spend a few minutes this week touring the [Antioch Farm](#). This includes a virtual tour and information about our farm-to-table dining experience. Our students often volunteer, work, and complete co-op experiences on the working farm. We can't wait to show you around soon!

As you prepare to begin classes, we hope you'll enjoy exploring the [surrounding Yellow Springs](#) area. Our campus is just a hop and skip away from [Glen Helen Nature Preserve](#) and the downtown village area has a lot to offer, too. We'll help you find your way around both during orientation and are excited to have events planned for you to get out and about in our sweet, little spot in the world.

Warmly,  
The New Student Orientation Planning Committee
