

MOVE-IN MAP | FALL 2022

Students should sign up for a move-in time and advise us of their move-in plans here:

<https://forms.gle/pYi2Z7W1QtgAcsQF7>

For COVID precautions during move-in, we are asking that all students:

- Make sure the college nurse has a copy of your COVID vaccination information (nurse@antiochcollege.edu)
- Limit travel/gatherings as much as possible in the 2 weeks prior to moving to campus
- Submit proof of a negative COVID test taken within 24 hours prior to your arrival to campus (nurse@antiochcollege.edu) OR take a rapid test at the time of check-in. Guests/move-in help are strongly encouraged to also test prior to coming to campus. Thank you for keeping the safety of the entire community in mind AND for helping us prepare for your arrival on campus!
