

DECLARATION OF MAJOR

For students declaring Fall 2023 or later

Antioch offers a universal self-designed major that comes in two types (BA or BS) and five interdisciplinary focuses. All students create a self-designed major as an independent plan to pursue intellectual, social, and career interests while meeting all graduation requirements. You may select a pre-approved interdisciplinary pathway or design a major outside of established pathways, subject to faculty review and approval.

*Note: Students whose self-designed majors were approved prior to the Fall 2023 quarter do not need to resubmit a Declaration of Major form.

Please submit this form with all required signatures to the Registrar, accompanied by a degree planning worksheet.

Name	Intended Graduating Class	Current Primary Advisor

OPTION ONE: Established Interdisciplinary Focus (Guided Pathways)

If you select an established interdisciplinary focus area, no additional approvals are needed.

Transcripts will include the standard focus title and description, as well as the individual capstone title and description.

Interdisciplinary Focus (select one)	Primary Division (select one)	Degree Type (select one)
Culture, Power, & Change	Arts	BA (any division)
Global Studies & Engagement	Humanities	BS (SCI or SOC)
Interdisciplinary Arts & Creative Practice	Sciences	* See Catalog requirements.
Social Enterprise & Innovation	Social Sciences	
Sustainability & the Environment		
* See faculty-endorsed pathways for courses.
