Honor Code

The Antioch College Community has been guided by an Honor Code since the presidency of Horace Mann. Naturally, the Honor Code has evolved since then with our Honor Code first being articulated in the mid-20th century. Our shared life at Antioch College is guided by respect for the Honor Code, which provides all community members relationships of trust and mutual respect that shape all aspects of academic and community life. By virtue of being a member of the Antioch Community, each of us agrees to become familiar with and respect the Honor Code and all College policies and guidelines, thus creating and protecting a sense of honor in our lives.

Antioch College is a community dedicated to the search for truth, the development of individual potential, and the pursuit of social justice.

In order to fulfill our objectives, freedom must be matched by responsibility. As a member of the Antioch College Community, I affirm that I will be honest and respectful in all my relationships, and I will advance these standards of behavior in others.
