

ANTIOCH COLLEGE

Dear Incoming Student,

Welcome! In a little over a month you will join the Antioch College community as a new student. What a great choice. I love our beautiful community. I can't wait to see how you help shape it.

I want to introduce myself, let you know who will serve as your academic advisor, point you to the Fall 2026 course schedule, and give you the opportunity to let us know your class preferences for the upcoming term.

I serve as Dean of Faculty and Principal Academic Officer. That means I am responsible for the academic experience at Antioch and the faculty who will teach and mentor you. At Antioch we offer a powerful combination of interdisciplinary study, meaningful work through our cooperative education and campus jobs programs, and authentic community engagement. Our distinct educational model has created generations of talented graduates who go on to change the world.

Please contact the Office of the Registrar (registrar@antiochcollege.edu) to receive your **Academic Advisor** assignment.

Academic advisors are here to guide you through your academic journey. You should receive a welcome message from your advisor over the coming weeks, but feel free to reach out ahead of time if you have any specific questions.

The **Fall 2026 Course Schedule** is linked [here](#). Take some time to browse our offerings, and email your academic advisor if you have questions about specific courses. To make the registration process easier, we will automatically register you for courses that are required for first-year and transfer students.

Course Preferences: If there are other courses that you really want to take during your first term at Antioch, please complete this [Scheduling Preference Form](#), and we will do our best to get you a seat in your preferred classes. Be sure to be logged into your Antioch Google Workspace (Gmail) account before filling out the form. Note that you will have time to meet with your academic advisor during New Student Orientation to adjust your schedule before the Fall term starts.

Speaking of **New Student Orientation**, it is set to begin on Thursday, August 27th. The orientation schedule can be found [here](#), but be on the lookout for emails from Student Affairs with updates. Two weeks before orientation begins, you'll receive information about placement testing for mathematics and writing, which you'll take during your first-year if you aren't transferring in any courses that meet our math and writing requirements.

I can't wait to meet you at orientation and introduce you to many of the people who make Antioch special, including Jane Fernandes, our President. See you soon!

Sincerely,

Dr. Dean Snyder
Dean of Faculty and Principle Academic Officer
